Sneaking Shoes a Good Omen.Theatrical people have many super-
stitions and they cling to the profes-
sion closely, one being if an actor's
shoes squeak, ever so little, as he
makes the first entrance, he is assured
of a welcome from the audience.**The Magic Square.**The origin of the magic square is
usually ascribed to the Chinese as the
Yih King, an early classic, describes
it. The magic square was known to
the Hindus and to the Arabian as-
tologists.
